

Archway Completes 65,000 SF Healthcare Property in Metro Houston

Posted on June 17, 2019 by Taylor Williams in Development, Healthcare, Texas

HUMBLE, TEXAS — Houston-based developer Archway Properties has completed a 65,000-square-foot healthcare property in Humble, a northern suburb of Houston. Vital Heart & Vein occupies the Class A facility, which includes an ambulatory surgical center, imaging center, cardiology clinic and administrative areas. E.E. Reed Construction served as general contractor, and Powers Brown Architecture handled the design.
